

Etictrade Legal Notice

On-site, Remote and Virtual Academy Program

1. Educational Purposes: The content, courses, seminars, webinars, and materials provided by Etictrade.com are designed for educational purposes only. They do not constitute financial, investment, tax or legal advice. Students are responsible for making their own investment and trading decisions.

2. Trading Risks: Trading in financial markets, including but not limited to Forex, stocks, options, futures, and cryptocurrencies, carries a high level of risk and may not be suitable for all investors. There is a possibility of losing all invested capital. Students should carefully consider their investment objectives, level of experience and risk appetite before engaging in trading activities.

3. Past Results: The trading examples, case studies and results presented in our courses and educational materials are merely illustrative. Past performance does not guarantee future results. Success in simulation or historical examples does not ensure success in real market conditions.

1. Etictrade has selected several regulated Forex, CFD, Futures and Financial Options Brokers within its academy project in order to provide its clients with the best possible experience; however, if they enter into closure or bankruptcy processes, Etictrade is in no way responsible for these events or their direct or indirect consequences. To access the free education services that Etictrade offers, each client must make a real minimum first deposit in the broker or Brokers chosen by the client according to those set out in the URL <https://etictrade.com/academia-remota/>. The first deposit must constitute the net value required in a single transaction and cannot be made in several transactions.

2. Risk Warning: Trading in Forex, CFDs, Futures and Financial Options involves a high level of risk and may not be suitable for all investors. There is a possibility of losing all invested capital. It is important that clients fully understand the risks involved and seek independent advice if necessary.

3. Leverage: The use of leverage in trading Forex, CFDs, Futures and Financial Options can magnify both profits and losses. Clients should be aware that leverage can work against them, resulting in significant losses, even greater than the capital invested.

4. Market Volatility: The Forex, CFDs, Futures and Financial Options markets can be extremely volatile, and prices can change rapidly in response to market events, economic news and other factors. These fluctuations can affect both margins and potential losses.

5. Not Advice: The information provided by Etictrade.com, including market analysis, reports and commentary, is for informational and educational purposes only, and does not constitute a recommendation or financial advice. Trading decisions are the sole responsibility of the client.

6. Past Results: Past trading results are not indicative of future results. The historical performance of any strategy, product or market does not guarantee future success.

7. Technology and Operational Risks: Trading in Forex, CFDs, Futures and Financial Options is carried out on electronic platforms. Etictrade.com is not responsible for technical failures, interruptions in connectivity, delays in the execution of orders or any other technological problem that may affect the client's ability to operate in the markets.

8. Limitation of Liability: Etictrade.com is not responsible for direct or indirect losses, damages or losses that may arise as a result of participating in Forex and CFD trading, including losses resulting from decisions based on information provided by Etictrade.com.

9. Knowledge and Experience: Clients must ensure that they have the necessary knowledge, experience and financial resources to participate in Forex and CFD trading. It is the client's responsibility to assess whether these instruments are suitable for their investment profile.

10. Demo Accounts: Demo accounts may not reflect the live trading environment and therefore results obtained on demo accounts do not guarantee similar results on live accounts.

11. Acceptance of Disclaimer: By opening an account and participating in Forex, CFDs, Futures and Financial Options trading with Etictrade.com, the client acknowledges that he/she has read, understood and agrees to the terms of this disclaimer, and that he/she fully understands the risks involved.
